Copy of letter No.30-126/48- APPTTs. New Delhi, dated 27th Sep.1948 from the Government of India, Ministry of Home Affairs.

Sub: Transfer of the services of Mr. Rafiuddin Sharafuddin Shaikh of the Bombay Police to Sind.

I am directed to refer to your letter No.12/1-Appts. dated the 18th June 1948, on the subject mentioned above, and to say that since the question of the incidence of leave and pensionary charges in respect of employees of Provincial Governments of Provinces other then Punjab, Bengal and Assam who have gone over from service in one Dominion to another after partition has not so far been settled on a reciprocal basis, the action of a Provincial Government in agreeing to bear such liabilities in the case of an officer for the period during which he served under it, complex problems which have to be settled on a reciprocal basis, no such liability should in future be accepted without a prior reference to the Government of India.

2. I am also to suggest that, if the Provincial Government see no objection, the Government of Sind may be informed that the question of the adjustment of leave and pensionary charges in the case of Mr. Shaikh will be taken up after a final decision has been reached on the general issue between the two Dominions.

3. I am further to add that Mr. Shaik's character roll should not supplied to the Government of Sind for the present if this has not already been sent.

.....

Sir,

I am directed to refer to your letter No.12/1- Apptts., dated the 18th June 1948 on the subject mentioned above, and to say that since the question of the incidence of leave and pensionary charges in respect of employees of Provincial Government of provincies other than Punjab, Bengal and Assam who have gone over from service in one dominion to another after partition has not so far been settled on a reciprocal basis, the action of a Provincial Government in agreeing to bear such liabilities in the case of an officer for the period during which he served under it would not be quite in order. I am to suggest that in view of the many complex problems which have to be settled on a reciprocal basis, no such liabilities should in future be accepted without a prior reference to the Government of India.

2. I am also to suggest that, if the Provincial Government see no objection, the Government of Sind may be informed that the question of the adjustment of leave and pensionary charges in the case of Mr. Shaikh will be taken up after a final decision has been reached on the general issue between the two Dominions.

3. I am further to add that Mr. Shaikh's character roll should not be supplied to the Government of Sind for the present if XIX this has not already been sent.

Yours faithfully,
